CREATE YOUR EVERLASTING MOMENT PHOTO OPS AROUND THE MANSION

Congratulations on your engagement! An important detail to keep in mind when deciding on a wedding location are the photo opportunities, the most memorable part of your wedding day are the pictures you take. Every bride is looking for that perfect wedding moment!

If you're planning a wedding at the classic Mansion at Mountain Lakes, there are beautiful gardens at The Mansion for all of your wedding photos, but here are also some other must-see locations in the picturesque, historic town of Mountain Lakes and surrounding area for you to explore.

*S*LAND BEACH AT MOUNTAIN LAKES

Conveniently located on the main Boulevard of Mountain Lakes you'll find the most adorable and quaint beach. Grab a shot on the docks for a colorful water background. Depending on the time of day the lighting and trees reflection on the water is to-die-for.

On top of that walking along the beach barefoot with your dress lifted and your brand new husband next to you with the stone walls behind you is sure to get you some extra "likes."

Finally, the wooden gazebo is the perfect romantic photo! There's no spot at this location that won't be a perfect backdrop.

THE TRAIN STATION & THE ESPLANADE AT MOUNTAIN LAKES

Nothing says “starting a new journey” like a shot on the train tracks and the rustic stone building adds a great backdrop to the shots making it look like the beginning of something special. Take the classic #followmeto series, you’ve seen on every girl’s Instagram. Across the street and up the stairs, there is an open area perfect for shots in a grass field. A great photo is the two of you walking towards the camera looking down or at each other.

BIRCHWOOD LAKE

For a more secretive spot, drive over to Birchwood- a smaller lake perfectly placed in the middle of a natural park. There’s a man-made path that goes all the way around the lake perfect for an “explorative” photo or the classic sitting on a bench in the middle of nowhere.

Fun fact: This park is open all year round; fall is the best season with changing leaves and is dog-friendly so if you have a pooch bring him along for some “family” shots.
